Are you **time** **poor**?

Are you sick of spending
your evenings and
weekends prepping for
your writing lessons?

Are you exhausted from
hours of searching on
Google, Pinterest, or TPT
for writing prompts?

Well, no more!

Which is better... sand or snow?

I think that sand is better than snow
because you can build really cool
things in the sand at the beach.

Specifically, you can build giant sandcastles.
You can even add a moat!

Furthermore, sand is better than snow
because snow is cold! I hate winter
and I love summer weather. Snow
means that you can't
go outside, whereas
sand is always fun
and never dangerous.

That is why sand
> snow!
