lessons more
engaging?

These fun writing crafts will
get your reluctant writers
enjoying your lessons!

Earth Day

Earth Day is a special day on
the 22nd of April. It is a day
about helping planet Earth. We
celebrate and talk about how
we can protect the planet.
For example, you could plant a
tree or pick up garbage you see.

Perhaps you love doing fun holiday and seasonal crafts with your students ...but you **HATE** the prep beforehand, chaos during, and clean-up afterwards!

These crafts are
**NO PREP, NO STRESS,
AND NO MESS!**

If I had a Magic Flower

I would use it every day. I would show it to people who feel sad and it would cheer them up.

What other teachers have to say -

"I loved this writing prompt for Spring. The kids had so much fun making up stories about their magic flower "wands"! Such a great way to engage them in creative thinking."
- Carrie O.
