

Are you teaching
digraphs?

If you're looking for an
engaging way to help your
students master digraphs,
this resource is for you!

What other teachers have to say -

"My **students loved these** activities. It was perfect to practice the diagraphs. I love that it included the diagraphs at the beginning and end of words."
- Megan P.

"My students love working on these for **morning work** because they are so cute and engaging!"
- Jannine L.

These worksheets are perfect for -

- Whole group lessons
- Small group work (literacy centers)
- Early finishers
- Morning work
- Homework
- Assessment

Read and Color

Read the words and listen to their beginning sound.
Highlight the words using the colors below.
