How to Stay Warm

First, you need to dress warm. You
need to wear a coat, hat, gloves,
and boots. They need to be thick.
Next, you need to move about or
stand near a heater. Finally, you
need to drink hot cocoa. These
are the ways to keep warm.

Perhaps you love doing fun holiday and seasonal crafts with your students ...but you **HATE** the prep beforehand, chaos during, and clean-up afterwards!

These crafts are

AND NO MESS!**
