I like to go to parties. This
New Year's Eve, I went to
my cousin's house. All of my
family was there and we had
so much fun. I like staying
up late on New Year's Eve.

Perhaps you love doing fun holiday and seasonal crafts with your students ...but you **HATE** the prep beforehand, chaos during, and clean-up afterwards!

These crafts are
**NO PREP, NO STRESS,
AND NO MESS!**

The best way to party

I think that the best way to party is to be with people you can have fun with. Family and friends make it the most fun. I also think you need to have good food and drinks. Lastly, you need loud music to dance to!
