## The Five Senses

Draw a picture

The five senses are sight, hearing, smell, taste, and touch. We see with our eyes and hear with our ears. We smell with our noses and taste with our tongues. We touch with our skin.

I can... ☒ Use finger spaces ☒ Use capital letters Aa ☒ Write neatly ☒ Sound out words ☒ Use punctuation .? ☒ Check my work

It's also frustrating when there's only a few prompts included or there's no differentiation.

**That's why  
there are 50  
prompts in  
this resource!**

# Recycling

Draw a picture

Recycling is like giving old things a new life! We take things we are done with and turn them into something new, instead of throwing them away. This helps protect our planet and saves resources. Here are some things that can be recycled: paper, plastic, glass, metal. It's important to brush and rinse your

Conclusion

4 different planning page options are included, so that students can brainstorm and plan their writing.

Each line style comes in 3 versions (with and without scaffolding):

- Sentence frames
- Dotted sentence frames (for tracing)
- Blank lines

**There are blank templates in case you want to write your own prompt.**

**There's also extra lined pages for students who want to write more.**

**With over 50 prompts, you have choice and variety for your whole group informational writing lessons. But best of all, this could be a whole year's worth of morning work, writing centers, homework, or early finishers!**
