in

camp

There are 5 worksheets for each of the following: CVC, digraphs, blends, and long vowels.

"These are incredible for my students who are still in the sentence writing stage of their writing development. They are high interest topics, and hands-on with the cut and paste feature.

Perfect!"

- Sherri B.

"I'm using these almost daily with my kindergartener. They really help build her confidence with reading and she enjoys figuring out the sentences."

- Elizabeth H.
