

Do your students need
support with sentence
writing?

Sentence building worksheets are a great way for students to practice sentence structure!

Students will also
work on:

- Reading
- Capital letters and punctuation
- Handwriting and finger spaces
- Fine motor (coloring and cutting)

There are worksheets for each of the following: CVC, digraphs, blends, and long vowels.

“These sentence building worksheets teach so many skills. Colouring, sequencing, reading and writing. It is such a valuable resource.”

- Celeste S.

“Thank you for making this fun and attractive for the kids. They forget they are learning when things are fun!”

-Beckie R.

What other teachers have to say about these activities!

How other teachers have used these worksheets:

“Great for the beginning of first grade to review complete sentences.”

“These are very helpful for my little special needs children.”

“My kindergartener is learning to read and these are fantastic!”

“Love using these for independent centers to practice sentence structure!”

“Great for the beginning of the year and for early finishers!”

“Perfect to leave in a work on writing station.”

“This activity is perfect for take-home and to do independently.”

Elizabeth bought set 1 but don't make the mistake she did -
"These are fantastic! I only wish there were more of them! I
should've bought the bundle."
